barcode labels from A4/Letter size label sheet templates (Windows only). The Brother QL-1100 delivers fast, printing up to 69 standard address labels per minute with black text at 300dpi. USB Host interface offers additional functionality. Auto cutter allows for printing 1 or multiple labels at a time, eliminating wasted label sheets. The Brother QL-1100 permits users to create and print custom labels easily. Simply connect to your computer to design and print customized labels. You can also download the free Brother iPrint&Label app to design labels with your Android™ device with the purchase of a USBtoGO cable connection (additional purchase required). The Brother QL-1100 series label printers utilize direct thermal printing, meaning that there are no expensive inks, toners, or ribbons to replace. Changing Brother DK rolls is simple – just drop them in and they fit easily. It is important to understand that using non-genuine Brother replacement labels may damage the Brother QL-1100 label printer and may not be covered under warranty. The Brother QL-1100 is compatible with Windows and Mac® and integrates with Microsoft Word, Excel, and Outlook. The Brother "Plug & Label" feature requires no software installation for Windows PCs. Simply print high-quality labels from Microsoft Word, Excel, and Outlook. This product is covered by a two-year limited warranty and exchange service by Brother.

Main Features

Prints on labels up to 4" wide, capable of printing shipping postage labels for packages

Automatic Crop function lets on-line sellers easily print product and other barcode labels from A4/Letter size label sheet templates (Windows only)
Fast, printing up to 69 standard address labels per minute with black text at 300dpi‡
Prints Brother DK pre-sized, easy-peel labels and continuous-length paper and film tapes. Auto cutter enables banners and signs up to 3 ft. long
Also offers a USB Host interface – for use with a peripheral such as a scanner
"Plug & Label" feature lets you create and print labels without installing software‡
Easy to integrate with free software development kits. SDKs are available for Windows, iOS and Android operating systems.
Windows, Linux, and Mac® compatible
Convenient, drop in tape rolls. No ink or toner needed
Up to 300 x 300 dpi print resolution, for crisp text and graphics

Techninė specifikacija
