Pagrindinės savybės

- ✓ Innovative all-in-one storage - One compact carry case, containing everything you need, stored neatly in one place
- ✓ Durable 350W motor Great results in a compact package
- ✓ Safe and secure SureEject™ beater release - Minimise accidental beater ejection and keep your hands focused on the controls
- ✓ 5 speeds with slow start function - Keeps you in control of your mixes with clearly defined increments and slow speed start up
- ✓ Made from over 30% recycled plastic - Whilst keeping Kenwood's built-to-last quality
- ✓ Thoughtful touches - Innovative measuring scoop incorporated into the housing to help first time bakers measure their ingredients
- ✓ Cord wrap - Integrated cord wrap and plug fastening for quick, easy and tidy storage

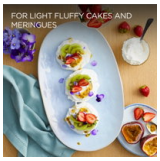

Aprašymas

Meet your next ‘must have’ baking accessory, the ingenious QuickMix Go hand mixer. It combines an innovative storage solution with the 'wow' factor, a calming, desirable design that looks great whether packed away displayed proudly on your counter. Add to that Kenwood's impressive mixing performance and you'll wondered how you ever baked without one.

Innovative all-in-one storage
ALL TOGETHER NOW
Make cluttered drawers a thing of the past with the QuickMix Go's unique storage lid, a first-of-its-kind storage solution which keeps all your mixer tools in one place. Perfectly packaged; the unit, beaters, kneaders, cable and even a handy measuring spoon, are all held together with a neat clip-on carry case- genius!

350w motor
EFFORTLESS MIXING PERFORMANCE
The best things come in small packages and the QuickMix Go is no different. Everything you'd expect from a Kenwood mixer, hand held! With a durable 350W, enjoy great results in a compact footprint. Perfect for quick, small or simple tasks, the QuickMix Go is on-hand and ready to get you straight to the action.

SureEject beater release
SAFE AND SECURE
Keep your hands in control, and your beaters in place with a forward-facing beater release button that can’t be accidently pressed. Unique to Kenwood this useful mechanism minimises accidental beater injection, for a seamless baking experience,

5 speed slider
RAMP UP THE POWER
From doughs and batters, to whisked egg whites and creams, the QuickMix Go's intuitive 5 speed slider function, helps you stay in control of your mix. Simply pull back the slider, with clear defined increments, from the slow speed start to top speed setting, giving you the power you expect and the control you want.

30% recycled plastic
A STEP IN THE RIGHT DIRECTION
Enjoy great performance with a more sustainable design the QuickMix Go retains Kenwood's renowned quality, whilst using 30% recycled plastics.

Measuring spoon
NICE TOUCH
Weighing is quick and simple with the integrated measuring scoop, meaning you have everything to hand. Clever, even if we do say so ourselves!

Easy carry handle
ON THE GO
Lightweight and portable, with an easy carry handle, the QuickMix Go can go anywhere. Easy to move, easy to love- the ideal gift for any baking fan!

Cable storage
THAT'S A WRAP!
Say goodbye to unsightly storage with the integrated cord wrap that helps you get started, and pack away in an instant
