Pagrindinės savybės

- ✓ Best combination of power and size with ¼” bit holder
- ✓ Compact head length of 126 mm for working in tight spaces
- ✓ Strong 200 Nm tightening torque, excellent battery runtime and long tool lifespan due to the brushless motor
- ✓ Variable speed trigger for better control over speed and torqueSee technical details

Aprašymas

GDR 18V-200 Professional: Further information
Product Highlights
The GDR 18V-200 Professional cordless impact driver offers an excellent power-to-size ratio with ¼” bit holder. With a head length of 126 mm, this cordless impact driver is suitable for even tight spaces. The GDR 18V-200 is equipped with a brushless motor for a strong tightening torque of 200 Nm, excellent battery runtime and a long tool lifetime. For a better control over speed and torque, this cordless impact driver features a variable speed trigger.
Equipment & Application
The GDR 18V-200 Professional is intended for tightening and removing screws when working in metal sheet, metal and wood. Furthermore, this cordless impact driver is compatible with all Bosch Professional 18 V batteries and chargers (Professional 18V System).
Additional Information
It offers also Electronic Cell Protection (ECP), a LED light and a belt clip.
