Pagrindinės savybės

- ✓ Optionally connected using Bluetooth or a 2.4 GHz wireless unit – both with AES-128 encryption
- ✓ Lithium batteries can be recharged in mouse and keyboard via USB-C
- ✓ Status LEDs show low residual battery charge, charging status and mouse resolution
- ✓ Additional status LEDs for the CAPS LOCK, NUM and SCROLL keys
- ✓ Extra-small nano receiver for wireless operation
- ✓ 6 mouse buttons and scroll wheel
- ✓ Precise sensor with resolution adjustable in three stages up to 2,400 dpi
- ✓ Durable key labels
- ✓ Solid metal plate in the keyboard for maximum stability
- ✓ Precise scissor mechanism for an ideal operating feeling

Aprašymas

Rechargeable designer desktop with many extra features

The CHERRY DW 9100 SLIM desktop set stands out due to its innovative functions, excellent workmanship and very flat design. You can connect the wireless mouse and keyboard with the 2.4-Ghz wireless USB receiver supplied or via Bluetooth®. You can switch connection types in an instant using a switch on the wireless mouse or keyboard. This allows e.g. a laptop to be connected via Bluetooth® 4.2 and a PC to be additionally connected via a wireless connection to be operated with the same desktop set. The data is transferred using AES-128 encryption in both cases. The range of up to 10 meters is also sufficient for e.g. multimedia applications on televisions.

The CHERRY DW 9100 SLIM set features rechargeable lithium batteries that last for weeks of work. You can then conveniently charge the wireless mouse and keyboard using the USB-C cable included, even while you are working. To ensure that the rechargeable batteries are still charged after a holiday, the wireless keyboard and mouse can be switched off completely with a switch.

The keyboard contains an integrated metal plate, lending it an optimal sturdiness and stability. If you prefer a steeper angle while typing, you can adjust the wireless keyboard using the removable magnetic strip. High stability is ensured by the metal plate, which prevents bending and bounding when typing.

The use of high-quality scissor mechanisms with a low key stroke ensures an ideal typing experience. Status LEDs integrated directly in each key provide information on whether the CAPS LOCK, SCROLL and NUM keys are activated. In addition, these keys flash to warn that the battery charging status is low. The 6 additional keys have proved to be extremely convenient and practical: “Windows lock”, “Open browser”, “Quieter”, “Louder”, “Mute” and “Open calculator”.

The wireless computer mouse, which matches the keyboard perfectly in terms of appearance, also has numerous features. It fits ideally in the user’s hand thanks to its rubber-coated side parts and a compact design. The resolution can be set in three stages at the touch of a button: 1000, 1600 or 2400 dpi. A two-color status LED provides the user with information on the battery status, the charging status, the selected resolution or the connection status at all times. An extra-durable mouse wheel with optical scanning and a magnetic storage feature for the USB receiver are further details that ensure nothing is left to be desired.

Regardless for mobile working, in the office or home office. The DW 9100 SLIM Desktop is your constant, stylish companion. The choice of Bluetooth® or wireless connection means you are flexibly equipped for all eventualities.

Techninė specifikacija

Keyboard	
Recommended usage	Universal
Connectivity technology	Wireless
Device interface	RF Wireless + Bluetooth
Keyboard layout	QWERTY
Keyboard language	UK English
Pointing device	No
Numeric keypad	Yes
Keyboard key switch technology	Cherry SX
Keyboard number of keys	111
Keyboard keys operating life	10 million characters
Frequency band	2.4 - 2.4835 GHz
Bluetooth version	4
Certification	CE FCC WHQL Bluetooth SIG
Design	
Product colour	Silver
Surface coloration	Monochromatic
Features	
Wireless range	10 m
USB connector type	USB Type-C
Power	
Power source type	Battery

Keyboard battery type	Built-in battery
Number of batteries (keyboard)	1
Battery technology	Lithium
Battery capacity	650 mAh
Mouse	
Mouse included	Yes
Form factor	Ambidextrous
