Aprašymas

Rigid writing or drawing film with a finely roughened, matt surface structure that mimics the texture of paper. Real paper feeling for a writing experience like on paper.
Ideal for precise or creative drawing, writing, homework and note-taking.

Thanks to Air Adsorption Technology, the Tablet PaperSense protective film is quick and easy to apply and remove - without any glue. Simply place, position and press on the edges. That's it.

Washable on both sides with water and detergent.

The Tablet PaperSense writing and drawing film protects the display from scratches and damage.

Unrestricted touch sensitivity: The Tablet PaperSense protective film does not interfere with the touch and scroll properties of the display. The display can be used without restriction. Specially designed for the use of pens/pencils.

Includes practical protective cover made of natural felt for safe storage and protected transport.

Techninė specifikacija

Features
