Aprašymas

Sensible design with uncompromised computer protection

The Manhattan London Notebook Computer Briefcase is a practical solution with streamlined, traditional styling that easily travels and fits almost anywhere - under airline seats, into overhead bins and into larger luggage pieces. A single, wide deep front pocket keeps your vital items, papers and accessories safe but within quick reach. Its secured flap with closure protects stowed contents. Dual strap handles with reinforced stitching and an adjustable, removable shoulder strap give mobile professionals multipurpose carrying options.

Basic and Functional Storage

Its interior with padded computer compartment fits most notebook computers with screens up to 14.1". The top-load configuration enables quick packing and speedy airport inspections. There's enough room in the large, scratch-free interior to keep files, papers and magazines smooth and flat.

Beautifully Designed to Perform

The exterior and interior are carefully constructed of lightweight, durable, easy-care materials that resist water and wear. The briefcase's heavy-duty hardware includes zippers with sturdy pulls to ensure smooth operation with fewer snags. The Manhattan Notebook Computer Case combines superior computer protection and attractive styling with comfort and convenience when traveling across town, cross-country or around the world.
