Immersive high-definition visuals

Experience bright, crisp visuals with 150 ISO lumens and native HD (720p) resolution, perfect for immersive viewing in dimly lit environments. Every scene reveals vivid details and rich colors.

Instant clarity, effortless control
Use the remote control to quickly and easily adjust the focus

Space-saving large screen
Project large images even in small spaces. With a 0.9 short throw ratio

Designed for Everywhere

Compact and portable, yet powerful, the MC400 delivers on-the-go projection without compromise.

Power supply anytime, anywhere

Enjoy the freedom to project anytime, anywhere. Supports USB-C power banks (45W), so your entertainment or work goes wherever life takes you.

Wireless Projection, Made Simple
Seamless Wi-Fi projection supports iOS and Android smart devices

Your app, your big screen

Access a world of rich content through the built-in app store. Stream, explore, and customize your entertainment experience at will.

Your voice, your way

Effortlessly pair with headphones or speakers via Bluetooth to enjoy an immersive audio experience crafted for the moment.

Effortless connection, limitless enjoyment

Easily plug in your smart devices, game consoles, and speakers via HDMI, USB, and AUX (3.5mm) ports for seamless, uninterrupted entertainment and productivity.

Features impressive built-in sound effects

Compact yet powerful, with built-in 3W stereo speakers delivering balanced audio for vivid projection.
