- ✓ Integrated cable management helping to create a clean and tidy work area
- ✓ Support for most common monitors weighing up to 9kg's
- ✓ VESA Compliant of both 75x75 and 100x100mm

Aprašymas

The Lindy Wall Mounted Single Display Gas-Spring Mount is the perfect solution for creating a clean, organized, and efficient workspace while maximizing desk space. Unlike traditional desk-mounted options, this wall-mounted design completely frees your desk, offering more room for essential items or simply a more open and clutter-free environment. Ideal for home offices, professional setups, or compact work areas, wall mounting enables unrestricted desk configurations, allowing you to flush fit your desk against a wall or organise a meeting table in the center of the room.

With its advanced gas-spring adjustment system, this mount offers effortless customization for the positioning of your monitor, including height, tilt, 90° pivot, and full 180° rotation, ensuring ergonomic comfort and reducing strain during extended use. The integrated cable management system keeps wires neatly tucked away, maintaining a sleek, minimalist aesthetic. Designed for displays up to 32 inches and 9kg, and compatible with VESA mounting standards, the mount provides durable, reliable support while enhancing the functionality of your workspace.

Wall mounting is particularly beneficial in compact environments, such as call centers or smaller home offices, where desk space is at a premium. By

lifting your monitor off the desk, you can optimize your workspace for better productivity and aesthetics. Adjusting the gas spring tension is simple using the included Allen key. For those seeking a space-saving, modern, and ergonomic solution, the Lindy Wall Mounted Single Display Gas-Spring Mount is a must-have addition to any workspace.

Please ensure that your display is VESA compatible and does not exceed the maximum supported weight of 9kg. This mount is also not suitable for monitors with recessed VESA mounts.
