Pagrindinės savybės

- ✓ Aluminum Alloy Grip
- ✓ 27 Programmable Switches
- ✓ Adjustable Detent System
- ✓ Built-In Vibration Feedback
- ✓ 15-Bit Magnetic Encoder
- ✓ Hall Effect Joystick

Aprašymas

Adjustable Detent System

The customizable detent mechanism lets you simulate key functions such as afterburner and lock positions, while space sim users can configure a center detent for precise ship maneuvering.

Built-In Vibration Feedback

Integrated vibration motors provide dynamic feedback, simulating effects such as aerodynamic changes, overspeed warnings, and combat impacts. These features are fully configurable via MOZA Cockpit software.

Authentic Throttle Design

Inspired by carrier-based fighter jet throttle panels, the MOZA MTP Throttle features a highly immersive and authentic layout.

Aluminum Alloy Grip

Crafted from durable aluminum alloy, the throttle grip offers a premium, tactile feel and exceptional durability for long-term use.

27 Programmable Switches

Designed for complex flight operations, the throttle includes 27 physical switches with an optimized layout for easy and efficient access to critical functions.

15-Bit Magnetic Encoder

A high-precision magnetic encoder ensures smooth and accurate input, capturing even the subtlest of adjustments for precise throttle control.

Modular Compatibility

The throttle pairs seamlessly with the MOZA MTLP panel for a complete flight deck setup, enabling a realistic takeoff, combat, and landing experience.

Hall Effect Joystick

The MOZA MTP throttle includes a Hall-effect joystick, delivering precise, drift-free performance with superior durability compared to traditional potentiometers. Fully mappable in MOZA Cockpit, it supports both axis and button inputs for added versatility.

Extensive Software Configuration

MOZA Cockpit software allows you to configure every detail, from telemetry-driven vibration feedback to dynamic lighting effects, creating a fully personalized and immersive simulation experience.

Techninė specifikacija

Features	
Product colour	Black
Material	Metal
Angle sensor type	15 bit
Weight & dimensions	
Width	277 mm
Depth	194 mm
Height	216 mm
Weight	2.1 kg
Packaging content	
Manual	Yes
