Aprašymas

Stronger deterrent for intruders

Cruiser SC 4G is equipped with warning lights that emit red and blue light, which will protect your home from intruders by being more of a deterrent when an intruder is detected than a regular white light warning.

Light the night up with smartness

Cell PT can adjust different night vision modes according to your needs, whether you want the night vision to remain in full color all the time or want to turn on full color only when there is an event to save energy, it can always satisfy you.

Panoramic pan & tilt for 360° protection

Cruiser SC 4G supports 0°-355° pan and 0°-90° tilt to fully protect your home with a 360-degree view.

Sound the alarms with precise human detection capabilities

Cruiser SC 4G can tell if the target is human by the powerful image processing technology.

Stay on target

The detection algorithm of Cruiser SC 4G continuously tracks moving objects in the frame, keeping the target in the frame at all times.

Professional protection to weather any storm

Cruiser SC is able to against dust penetration and can easily handle rain and wind, keeping you safe around the clock.

Connect your home from anywhere

A built-in speaker and a microphone with the echo cancellation feature allow you to interact with family from anywhere.

Deter unwelcome visitors

Cruiser SC 4G keeps an eye on your house, when someone breaks in, the 110dB siren will turn on to deter the unwelcome visitor.

Larger bracket for easier installation

The Cruiser SC 4G has upgraded the bracket and increased its size to make it easier to install and to improve heat dissipation.

Techninė specifikacija
