Aprašymas

The Elgato Stream Deck Plus from CORSAIR is a valuable tool for streamers and content creators looking to improve their production quality and streamline their workflow. This keypad features 8 programmable buttons, allowing for the customization of key functions to suit any streaming or content creation need. Whether it's launching media, switching scenes, or adjusting audio settings, the Elgato Stream Deck Plus puts control at your fingertips.

Thanks to its compatibility with both Mac and PC, the Stream Deck Plus is a versatile tool that can integrate into any setup without hassle. Its wired USB 2.0 connection ensures a stable and fast link to your system, eliminating the common latency issues found in wireless devices. For creators seeking to enhance their efficiency and interactivity during live streams or video production, the Elgato Stream Deck Plus offers a blend of functionality and reliability.
