Aprašymas

Stage2 Series speakers brings a JBL concert experience to your car, truck or SUV and a surprisingly affordable price. Their Polypropylene woofer delivers a strong performance with great low end extension and clean tight midrange. The woofer is couple with a PEI Balanced dome tweeter which fills out their sonic signature with crisp, high-end frequencies. An added bonus of Stage 2 series is JBL's frame design, which has been engineered to easily fit into most factory openings without the need to modify the vehicle, mounting location or the speaker itself.

2xSpeakers
2XGrilles
8x screws
8x speed clips
2x JBL Logo badge

Techninė specifikacija

Audio	
Speaker type	2-way
Peak power	240 W
Impedance	4 Ω

Sensitivity	91 dB
Frequency range	55 - 20000 Hz
Technical details	
Shape	Round
Separate components	Yes
Quick start guide	Yes
RMS rated power	40 W
Mounting brackets included	Yes
Product colour	Black
Certification	CE
Weight & dimensions	
Diameter	16 cm
