Aprašymas

Patch cable SlimLine, flat, Cat.5e, U/UTP, white, 15 m" from LogiLink Professional

LogiLink’s Flat Patch Cables are ideal for installation in tight spaces such as under carpet and behind furniture. This provides also plenty of ventilation space for network rack components, while improving the look of your wiring setup when installed in plain view. It is ideal for network adapters, hubs, switches, patch panels and telephone cabling where space or cable flexibility is an issue.
