## Aprašymas

### Dreame AP10 Air Purifier (Gold)

The Dreame AP10 is a modern air purifier designed with pet owners in mind. With a high CADR rating of 430 m³/h for particulate matter and 200 m³/h for formaldehyde, the device removes dust, pet hair, and allergens in just 7 minutes. High-vacuum technology and a 360° air return system ensure even circulation and effective removal of pollutants from the entire room.

### Comprehensive Filtration and Hygiene

A 5-stage filtration system ensures cleanliness, combining a main filter, a high-efficiency multi-layer filter, a dual-layer activated carbon filter, UVC light, and a negative ion cluster. This advanced system eliminates as much as 99.9% of bacteria, unpleasant odors, and fine allergens, creating a healthy environment for both people and pets.

### Comfort and Ease of Use

The device is equipped with a digital LED display featuring color-coded air quality indicators that provide real-time information on pollution levels. An app is also available, allowing for remote control in Polish, among other languages. Voice control in English is also available. The device’s tilt resistance of up to 22° and safety lock ensure safe use even in a dynamic home environment.

### Relaxation and Play Area

The Dreame AP10 also serves as a bio-comfortable seat for your cat—its ergonomic surface ensures peace and comfort for your pet. The built-in laser pointer adds variety to your pet’s playtime, and the transparent 360° fur collection bin lets you check how full it is at any time. The air purifier not only cleans the air but also helps create a welcoming atmosphere at home.

### Protection and Durability

The manufacturer has paid attention to detail: a bite-resistant cord protects against damage, and the stable construction minimizes the risk of tipping over. The Dreame AP10 combines aesthetic design with functionality and safety, creating a smart solution for homes with pets.
