Aprašymas

USB 3.0 External Video & Graphics Card | Multi-Monitor | USB-Powered | Supports Mac & Windows®

The USB32HDPRO USB 3.0 to HDMI Adapter lets you add an HDMI display to your computer through a USB 3.0 port, providing a cost-effective and convenient way to expand the video capabilities of your Mac® or PC computer system.

USB 3.0 Bandwidth, High Definition Performance

With USB 3.0 support, this external video adapter delivers the bandwidth needed for accelerated High-Definition video performance, capable of outputting video resolutions up to 1920x1200 / 1080p. Even if your current computer doesn't have a USB 3.0 port available, the USB32HDPRO is backward compatible with USB 2.0, so you'll be able to connect your HDMI monitor to your computer and be ready for when you upgrade to a USB 3.0-equipped system.

Easier Multitasking, More Productivity

Add the screen space you need to simplify multitasking and maximize productivity, without even opening your computer case. Some computer systems, including MacBook® and Ultrabook™ laptops and small form-factor desktops, are too compact to install an internal video card. A USB display adapter offers an easy workaround, performing as an external video card that only requires an available USB port to mirror or extend your desktop onto another display.

DisplayLink Plug-and-Display Certified

Installation has never been easier. When you connect this DisplayLink Plug and Display certified adapter to a web-enabled Windows® 10, Windows® 8 or Windows® 7 computer, it automatically downloads and installs the most up-to-date drivers for you, so you won't have to manually download or install any software.

The USB32HDPRO is backed by a StarTech.com 2-year warranty and free lifetime technical support.

Recommended System Requirements:

CPU: Quad Core 2.4GHz or Higher (i5 recommended)

RAM: 4GB or higher

Techninė specifikacija

Performance	
USB version	3.2 Gen 1 (3.1 Gen 1)

DVI output	No
HDMI output	Yes
DisplayPort output	No
Number of displays supported	1
USB connector type	USB Type-A
USB connector gender	Male
USB connector form factor	Straight
Internal memory	512 MB
Internal memory type	DDR2
Maximum resolution	1920 x 1200 pixels
Supported graphics resolutions	1280 x 960, 1600 x 900, 1024 x 768 (XGA), 1152 x 864 (XGA+), 1280 x 1024 (SXGA), 1280 x 720 (HD 720), 1280 x 768 (WXGA), 1280 x 800 (WXGA), 1400 x 1050 (SXGA+), 1440 x 900 (WXGA+), 1600 x 1200 (UXGA), 1680 x 1050 (WSXGA+), 1920 x 1080 (HD 1080), 1920 x 1200 (WUXGA), 800 x 600 (SVGA)
Supported video modes	1080p, 720p
Output colour depth	16/32 bit
Audio output channels	5.1 channels
Chipset	DisplayLink - DL-3500
USB pass-through	No
Certification	CE, FCC, DisplayLink

Design

Product colour	Black
Housing material	Plastic
Integrated USB cable	Yes
