## Pagrindinės savybės

- ✓ Articulating double-link swing arm to support one 17" to 57" monitor; flat from 2 to 27 kg (4.4 to 60 lbs.) or curved from 2 to 22 kg (4.4 to 49 lbs.)
- ✓ Ideal for 21:9 and 32:9 ultrawide monitors, enhancing productivity, gaming, and multimedia
- ✓ Optimized views with +60 to -20° tilt, 180° swivel and 325 to 655 mm (12.8 to 25.8 in.) height adjustment
- ✓ Supports 360° rotation for landscape or portrait display orientation
- ✓ USB-C and USB-A cable passthrough ports built into the base for convenient access and reduced clutter on your desk, suitable cables included
- ✓ Both ports with USB 3.2 Gen 1 (formerly USB 3.0) transfer rates up to 5 Gbps, ideal for mice, keyboards, flash drives, and mobile devices
- ✓ Mounting options: C-clamp at the edge of a desk (for surfaces 10 to 45 mm [0.4 to 1.8 in.] thick) or grommet mounting through a drilled hole (for surfaces 10 to 40 mm [0.4 to 1.6 in.] thick)
- ✓ Quick-release VESA-plate design to easily hook and mount your display
- ✓ Built-in tension adjustment to suit the weight of your monitor
- ✓ Heavy-duty construction with high-quality aluminum and powder coating

## Aprašymas

**Height adjustable Full Motion Monitor Arm for XXL and Ultrawide Monitors - plus USB Connectivity**
Elevate your productivity, gaming, and multimedia experiences with the Ultra Heavy-Duty Aluminum Gas Spring Single Monitor Desk Mount. Designed to support a wide range of monitor sizes and weights, this premium mount is your ultimate solution for a clutter-free, ergonomic workspace.

### Light-touch height adjustment

A gas-spring cylinder makes it easy to raise or lower the display anywhere from 325 to 655 mm (12.8 to 25.8 in.) so it can sit in the best place for your line of sight. Adjust the tension according to the weight of your monitor to reposition it effortlessly.

### Full-motion view optimization

The full-motion arm lets you extend, tilt and swivel across multiple axes, so it's easy to create an ergonomic workspace that fits your exact needs. You can also rotate your monitor from landscape to portrait orientation to view photos in portrait mode or see longer pages and blocks of code without having to scroll down.

### Convenient USB Connectivity

Reduce desk clutter and the need for additional USB hubs or docking stations with the USB-C and USB-A pass-through ports at the base. Use the included cables with USB Type-A male to Type-A female and USB Type-A male to USB Type-C female connectors to extend your laptop's ports through the base for more convenient connectivity. These ports support SuperSpeed transfer rates up to 5 Gbps, perfect for your peripherals and for charging/syncing mobile devices.

### Flexible Mounting Options

Whether you prefer a C-clamp for desk edges or grommet mounting through a drilled hole, our mount provides both options. The quick-release VESA-plate design allows for easy installation and removal of your display.

### Built to Last

Constructed from high-quality aluminum and finished with a durable powder coating, this heavy-duty desk mount is built for longevity. The built-in tension adjustment ensures stability, accommodating the weight of your monitor effortlessly.

### Clean cable management
