

CPU COOLER S_MULTI/SPARTAN 5 EY3A001 ENDORFY

Modelis: EY3A001

Gamintojas: ENDORFY

EAN: 5903018665788

Prekės kodas: 99528

21.99€

The Spartan 5 is small but efficient, like good air conditioning on a hot summer day. Somewhere in the desert. In the middle of the day.

At its highest point, it's 14.6 cm – short enough to fit in most cases (even the small ones) and keep your CPU cool as ice. Its centerpiece is a 120 mm Fluctus 120 PWM fan, which we mounted on a densely finned heatsink. With such a package you can render and design without worrying that your CPU will suddenly get a fever.

The Spartan 5 is also compatible with many sockets (from older ones like AM2 and LGA1156 to AM5 and LGA1700) and tall RAM sticks, and thanks to our cheat sheet video instructions, you can set it up in mere minutes.

Hello, can anyone hear me?

The Spartan 5 works so quietly that it could easily get a high-five from any librarian. If you have perfect hearing, you may hear it during 3D rendering or advanced technical simulations. Perhaps.

This is Sparta The Spartan 5!

The Spartan 5 is small, but don't let its compact size fool you! It's 14.6 cm tall – short enough to fit in most cases and keep your CPU cool as ice. It keeps the components pleasantly cool even when you pull an all-night gaming session after a busy day of work.

Assembly in a moment

You can literally mount the Spartan 5 in a moment without additional fancy tools. Together with the cooler, we've released video instructions that will guide you step by step through the whole process. By the way, we've taken care of the usually hardest things – we've preinstalled a 120 mm Fluctus fan for you – so you'll be able to handle the whole process easily, even if it's your first time assembling a PC.

6-year warranty

We have been in the industry for a long time, and we know that the ENDORFY logo = high quality that cannot be faked. That's why with the Spartan 5 cooler you get a long, 6-year warranty (although you probably won't use it anyway).

Summary: ENDORFY Spartan 5. Type: Air cooler, Fan diameter: 12 cm. Product colour: Black | Vendor Homepage: <https://endorfy.com/en/product/spartan-5/> | Fan diameter: 120 | Mean time between failures (MTBF): 100000 | Suitable location: Processor | Supported processor sockets: LGA 1200 (Socket H5)/LGA 1700/LGA 2011 (Socket R)/LGA 2011-v3 (Socket R)/LGA 2066/Socket AM2+/Socket AM3+/Socket AM4/Socket AM5/Socket FM1/Socket FM2+ | Type: Air cooler | Certification: CCC, CE, FCC, UKCA, RoHS | Number of fans: 1 | Number of heat pipes: 2 | Product colour: Black | Thermal Design Power (TDP): 160 | Fan dimensions (W x D x H): 120 x 25 x 120 | Radiator depth: 65 | Radiator height: 125 | Radiator width: 146 | Compliance certificates: CCC/CE/Federal Communications Commission (FCC)/RoHS/UKCA | Installation instruction: Yes | Mounting kit: Yes | Model: EY3A001 | Model name: Spartan 5 | Units per Pallet: 0 | Units per Shipping Box: 20 | Unit Calculated Volume: 0.003854 | Unit Calculated Weight: 0.63
