Aprašymas

AOV Air 4G
5MP
24/7 Recording 4G Battery Camera

AOV Mode. Smarter About What It Records.
It records continuously when an event occurs; when nothing happens, it switches to lightweight snapshots at your selected intervals. This allows you to preserve a spatial timeline while making smarter use of storage space.

Adjustable Performance Modes. Improved Battery Life.
Set the recording behavior you want at different battery levels. Choose AOV, Event or Power Saving mode for different battery levels. AOV Air 4G can automatically adapt its recording behavior as power changes, helping you stay protected while making the most of every charge.

Turn Time Into a Story.
Watch a day, a garden, or a project unfold in minutes. With Time-Lapse, AOV Air 4G can turn long periods of change into short, shareable videos. Capture a sunrise, a growing garden, a home project or a memorable day from a whole new perspective.

Small Camera. Serious Detail.
See more of the moments that matter in crisp 3K clarity. The 5MP sensor delivers 3K resolution for clear, detailed video—so a compact, easy-to-place camera can still give you the visual confidence you expect from a full-size security camera.

Keep Watch After Dark.
Choose the night vision mode that fits the scene. Use Smart, IR or Off mode to match different lighting conditions and personal preferences. AOV Air 4G keeps your monitoring flexible from daytime activity to nighttime security.

Know When It Matters.
Human and vehicle detection helps turn activity into useful alerts. Instead of watching a live feed all day, let AOV Air 4G help identify human and vehicle activity and notify you when something worth your attention happens.

Promptly Warn And Stop Intruders.
A spotlight and siren can respond when unwanted activity is detected. When a detected intrusion triggers an alarm, the built-in spotlight and siren can draw attention and discourage unwanted visitors—before you even open the app.

Talk From Wherever You Are.
See what's happening—and speak up when you need to. Use two-way talk to communicate with family members, visitors or people in the monitored area without walking over to the camera.

Privacy, One Tap Away.
Pause monitoring when you want your private space back. When you want privacy, activate Privacy Mode in the app with one tap. Your camera can step back when you do.

4G Network Connectivity

4G network connectivity lets you use your camera anytime, anywhere.

Ready for What the Weather Brings.
Built for outdoor moFrom dusty yards to rainy days, the IP67-rated design helps protect AOV Air against dust and water exposure, so you can place it where your outdoor life happens.

Up to 512GB Local Storage.
Large storage capacity allows you to store videos for longer periods of time.

Works with Google Assistant & Alexa.
Connect with Google Assistant or Amazon Alexa and manage your camera with simple voice commands.

Techninė specifikacija

Performance	
Type	IP security camera
Placement supported	Outdoor
Connectivity technology	Wireless
Certification	CE MSDS
Design	
Mounting type	Wall
Product colour	White
Form factor	Bullet
Image sensor	
Sensor type	CMOS
Optical sensor size	25.4 / 2.9 mm (1 / 2.9")
Lens system	
Digital zoom	8x
Maximum aperture number	1.6
Fixed focal length	2.8 mm
Night vision	
Night vision	Yes
Night vision distance	15 m
Video	
Maximum resolution	2880 x 1620 pixels
Total megapixels	5 MP
Video formats supported	H.265
Frame rate	15 fps
Audio	
Built-in speaker(s)	Yes
Audio system	2-way
Built-in microphone	Yes
Network	
Mobile network connection	Yes
Mobile network generation	4G
4G standard	LTE-TDD & LTE-FDD

Storage	
Built-in HDD	No
Card reader integrated	Yes
Compatible memory cards	MicroSD (TransFlash)
Maximum memory card size	512 GB
Ports & interfaces	
USB port	Yes
Security	
Human and vehicle targets classification	Yes
Management features	
Reset button	Yes
Power	
Power source type	Solar, Battery, USB
Battery	
Battery capacity	5000 mAh
Operational conditions	
Operating temperature (T-T)	-20 - 50 °C
System requirements	
Mobile operating systems supported	Android, iOS
Weight & dimensions	
Width	91 mm
Depth	106 mm
Height	155 mm
Weight	270 g
Sustainability	
Compliance certificates	CE
Packaging content	
Number of cameras	1
Quick start guide	Yes
Technical details	
Legal guarantee	3 year(s)
