Aprašymas

Arzopa D10 (gold) 10.1" digital photo frame

The Arzopa D10 is a 10.1" digital photo frame that allows you to store and display the most important moments of your life in one place. With a high resolution of 1280 x 800 pixels and a 16:10 aspect ratio, photos and videos displayed on the screen are full of detail, with natural colors and clarity. It is ideal for both home and office, adding a personal touch to any interior.

Large memory for all your photos

The Arzopa D10 frame offers a built-in memory of 32 GB, allowing you to store hundreds of photos and videos without the need for additional devices. However, if you need even more space, the frame supports TF cards of up to 128 GB, giving you even more flexibility to store your memories.

Conveniently connect to multi-user accounts

With its multi-account feature, the frame allows you to connect to multiple accounts, allowing family and friends to easily share photos - just scan the QR code to share a photo! It's the perfect solution to stay up to date with your latest memories, without having to manually add new photos.

Intuitive touch operation

Operating the frame is extremely easy! Thanks to the touch screen, it allows you to quickly and intuitively browse photos and set preferences. Just touch the screen to change photos, making the Arzopa D10 convenient for everyday use.

Automatic playback of memories

The Arzopa D10 not only stores memories, but also automatically plays back photos and videos, making your favorite moments come alive on the screen. The frame is also equipped with a gravity sensor function, which allows it to automatically adjust the display horizontally or vertically,

depending on the setting.
